

## I.T. HELP DOCUMENT – Okta Forgot Password? Reset Guide Faculty/Staff Only

- Go to <u>SMARTWeb</u> and select Okta SSO from the Student drop-down menu in the green bar or select Okta Single Sign-On from the Tools and Resources link list on the left side of the page.
- <u>Option 1:</u> Type in your Augusta Tech student email address then click next. If you know your password, input it in the field provided and click the green Verify button. (Skip to step 6)

<u>Option 2:</u> If you do not know your password or do not want to login to reset, select Forgot Password as indicated in the second image by the red rectangular outline. (Go to step 3)

 Clicking Forgot Password? will take you to a screen providing two options to reset: Email or Phone.

Select Phone as indicated in the image by the red rectangular outline.

If you click select Email, an email will be sent to your Augusta Tech student email with a reset link that is good for one hour.

### Note: It will be sent by Okta Admin <noreply@augustatech.edu> with the subject "Account password reset".

4. The default phone method will send a text message to your phone. Receive the code by selecting the "Receive a code via SMS" green button.

If you cannot receive text messages, click the "Receive a voice call instead" link below the green button.

Note: This will use the phone number listed on the Okta Single Sign on page in Step 8.

Reset your password

@ jane.doe@augustatech.edu

Wrify with one of the following security nethods to reset your password.
