Adult Education Student Gaining Educational Distinction

Samanda Butler (center), a student at Augusta Tech, recently participated in a live radio broadcast at WAAW 94.7 SHOUT FM. She talked about how her life experiences led her to drop out of school. Now, 20 years later, she is enrolled in an Adult Education class and is on the move and inspiring others. Recently, Augusta Tech Adult Education Instructor Robbin Edwards (right) and Assistant Director Diane Cook-Jackson presented Samanda a certificate for her determination and motivation.
